

Heartwood Place at 19 Gaukel Street, Kitchener

Welcome to living at 19 Gaukel Street, the beginning of Heartwood Place. The site this building is on was formerly Duthler Textiles. The original building was built in 1890, and further expansion and renovations were completed in 2003 to create thirty-three affordable apartments, along with a community room and a rooftop patio.

Heartwood Place was established in 2001, and at the “heart” of our organization is that “everyone” deserves to have a safe and secure home.

Below is a list of Heartwood Place contact numbers and resources to assist in discovering your new community.

At all times, **unless** in the case of an emergency please contact the building superintendent first; and/or the main office phone number.
